■ OUR HISTORY

ABOUT US

- 2025 Incorporation of End of Line solutions in the E2M COUTH portfolio
- 2024 New headquarters in Hernani
- 2023 COUTH R&D, S.L. established
- 2022 Constitution of E2M COUTH Italia, SRL.
- 2021 Incorporation of E2M COUTH VISION SYSTEM, S.L.U.
- 2020 Establishment of COUTH Industrial Marking Systems DEUTSCHLAND, GmbH and COUTH Industrial Marking Systems (Shanghai), Co., Ltd.
- 2019 Constitution of COUTH MEXICO S.A. de C.V.
- 2018 Launch of new marking solutions generation
- 2016 COUTH Industries, S.L. acquires COUTH
- 1996 National machine tool design award received
- 1994 International patent on the dot peen marking domain
- 1992 Launch of the of dot peen marking technology with electronic control
- 1963 Incorporation of Constructora de Útiles y Herramientas, S.A. (COUTH)
- 1954 COUTH founded its impact marking technology company in San Sebastian

ABOUT US

ABOUT US

■ OUR MISSION

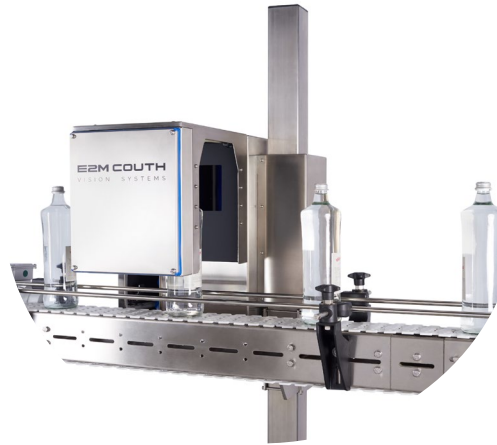

COUTH® develops activities aimed at providing high quality products and solutions for customers and users within the industrial marking and intelligent machine vision industries allowing clients to reduce costs related to substandard quality.

Our management is based on:

- Knowledge about end-users and customers
- The strength of our brands
- Research, development and innovation
- Development of people skills
- The excellence of our processes
- An excellent supply chain

All of this will allow us to achieve profitable growth and contribute to the satisfaction of our customers, shareholders and people who are part of the project, in a context of respect for the environment and social responsibility.
